Mr. C. T. Hart
24 Arlington Street
Lynn, Mass.

Dear Mr. Hart:

On arrival here I looked at my Australian coins and found that we had a set of four silver coins of Edward VII, dated 1910. I have no special note concerning these and consequently do not know whether they are rare or not, but I should say off-hand that they are not as rare as you have been led to believe.

Very truly yours,

Curator
